DAVID GARRISON SOFT PASTEL WORKSHOP

Signature member of Pastel Society of America

Date: JANUARY 7 & 8, 2012 - Weekend

Time: 9:30 to 4:30

Fee: \$210

\$110 deposit required with registration

From Paris, France to charming Alburtis, Pennsylvania! This is a rare opportunity to study with an international pastel artist with strong and unique individual style. David, who works primarily in pastel but also paints magnificent murals, is known for his dramatic sense of color and light. He imparts a masterful sense of time, space and atmosphere in his paintings.

David would like the students to start looking for a variety of subjects to paint. This time include some close up portraits (He asks students to not bring any of their family). He teaches the portrait study to first have an impact of lighting not a likeness. A likeness comes with time and will happen naturally.
